FEBRUARY 2018 - JANUARY 2019

PRESIDENT'S MESSAGE

**Karen Newman
Morgan**
President

Welcome to the Mississippi Tennis Association for 2018. This is your Association, and the purpose is to promote and grow the game of tennis for you, whether you are an adult player, junior player (or parent), tennis professional, member tennis organization, or just a fan of the game. For players, your age or level of play does not matter. Under 10 to over 65, beginner to pro, your MTA is working to serve your interests and needs. This Calendar is designed to help you get the most out of your MTA, and it contains some important information. This year will include Net Generation information. We also hope that you'll visit MSTennis.com for more current information. If you can't find it here or online, or just want to talk to a live person, you can contact the staff members identified on Page 2 or the volunteer leaders identified on Page 3. They will be more than happy to answer your questions or just talk tennis.

We just finished another strong year for Mississippi tennis, thanks to the work of the MTA staff, local league coordinators, teaching professionals, CTAs, and individual volunteers. League play continues to the backbone of our organization. Competitive match counts remained strong for juniors and adults. Our state-wide program for entry level tennis is called Ready to Rally.

2017 was a very successful year for MS league tennis. Mississippi had 7 league teams which competed in National Championships. Two teams (Lesley Johnson Adult 65&Over, Pinebelt and Shannon Ishee Mixed 18&Over, Pinebelt) placed second in their flights; one team (Chris Shaw Adult 18&Over,) came in second overall; and two teams (Paul Kimble Adult 18&Over, Jackson & Brad Castle Tri Level, Jackson) became National Champions. Congratulations to the captains and the team members for all of these teams!

Our MTA staff, led by Executive Director Geoff Norton, is solid, as is volunteer involvement. The staff oversees and coordinates adult league play, junior tennis, facilities grants, marketing, and a host of other activities. Our dedicated MTA volunteer leaders form working committees and serve on the governing board, which works with the MTA staff on policy issues.

MTA is a part of the larger USTA, and the Southern Section, which includes nine states in the Southeast, excluding Florida. Mississippi has two members on the Southern Section Board of Directors. Dennis Miller is serving his third term as Southern Section Treasurer and MTA former President John Cox serves as an at-large member of the Southern board. Many Mississippians serve in important committee positions. The efforts of these individuals are key to our success here in Mississippi, as these committee members provide representation and influence up the USTA ladder to assist our state in its efforts to grow tennis.

A huge congratulations to our own Sharon Gault of Greenville, being honored as the USTA League Volunteer. The award, established in 2015, recognizes and honors the many volunteers who have provided leadership and made significant contributions to the growth and enhancement of USTA Leagues, both in their section and nationally. President Katrina Adams presented this award to Sharon during the Awards breakfast in September during the USTA national meeting in New York City. We are very proud of Sharon and her commitment to grow tennis in Mississippi.

2018 USTA MS JR QUALIFYING CLOSED STATE CHAMPIONSHIPS

The Qualifier is the premier junior tournament in Mississippi. All players no matter how good should play this event to gain the experience of competition at a high level. Not only does it let you compete for "bragging rights" in Mississippi, but it also gives you the opportunity to qualify to go to the Southern Closed Championships. For ranking purposes, the Qualifier carries the highest Mississippi point value. The 2018 Qualifier will be held again at Ridgeland Tennis Center on May 26-May 30. The Qualifier's continues to enlarge every year. In 2017 our Mississippi players showed great representation at the Southern Section Closed.

Points to remember:

- It is an honor to play in the Southern Closed so those that want to play should enter the State Junior Qualifier.
- Players must play in the Qualifier in order to be eligible to play the Southern Closed. You must play in the division in which you want to play in the Southern Closed.
- You must register online for the USTA Mississippi Junior Qualifier and Southern Closed Tournament that you wish to play prior to the State's selection list being sent to Southern. Around 1st of May or before look at the tournament's home page to see when registration begins or if it has begun. You should sign up as early as possible. Your credit card will not be charged until you are accepted in the Southern Closed.
- In the 10, 12, 14, 16 and 18's the 4 semifinalists in the main draw and the 2 finalists in the consolation will be automatically selected with the remaining players selected by STA standing current standings list. In the 10's the 4 semifinalists in the main draw will be chosen to represent Mississippi. Selection of the remaining players will be based on Southern standings Wednesday evening or Thursday morning following the Qualifier. It is best to sign up early. Your credit card will not be charged until you are accepted in the Southern Closed after the entry deadline.
- Waivers into the Southern Closed will be considered for medical reasons, family crisis or unavoidable circumstances. Players who fall into this category will be placed at the bottom of the alternate list.
- For complete information on the Mississippi Qualifying Process for the Southern Closed Junior Championships, please go to the www.mstennis.com under Junior Tennis/Junior Competition/Southern Closed Guidelines after April 1st, 2018.

If you have any questions about the Mississippi Qualifying Process, please contact Kent Shultz at 601-981-4421 or email KentS@mstennis.com.

2018 Southern Junior Cup Criteria

Each year, the Southern Section sponsors the Southern Junior Cup (formerly Jr. Davis/Jr Fed Cup) team competition. The nine states in the Southern Section bring the top 12, 14, 16, and 18-year-old players to compete at the premier junior event of the year. Boys and Girls 14, 16 and 18 compete as state representatives in singles, doubles and mixed doubles September 14-16. The competition for the 12-year-old players is held separately September 7-9. The Mississippi Southern Junior Cup team played extremely well in 2017.

The team is chosen by a committee consisting of the following individuals:

MTA's Ranking Committee

MTA's Head of Junior Competition and/or Director of Player Development

Mississippi's Southern Junior Cup Coaches

Coaches in 2017 were Justin Schelver, Kevin Gillette and Bo Bowman

The responsibility of the committee is to select the strongest team to represent Mississippi based on the selection criteria listed below:

Sectional Standing as of the second publish date in July no later than July 15th (players with high standings in a lower division can be considered to play in a higher age division based on the discretion of the committee). In the event that two players are within 20 spots on the Southern standings list, significant wins and head to head matches will be considered. *Playoffs to determine the 3rd spot in each age division are encouraged when players are within 20 spots on the Southern Standings list or a player has missed significant time/tournaments due to injury or other restraints. Playoff dates will be organized by Southern Cup coaches and in the event of a playoff in 12s, a one day playoff will be held and supervised by coach or USTA staff.

A meeting to determine player selections and play-offs will be held on, or before July 18th. The top 3 players in each age group will be contacted directly by team coaches, and an ordered alternate list will be selected for each age group at the time selections are made.

Junior Team Tennis - ARE YOU IN?

How does it work?

USTA Junior Team Tennis is one of the fastest growing team sports in the country, and allows kids ages 5-18 to form teams with anywhere from 8 to 16 of their friends at the Beginner, Intermediate, or Advanced levels. Those that advance out of local play have an opportunity to progress to State, Sectional, and National Championship events. Leagues have the option to use multiple different formats that are a fit with their community, and scoring can be done in a unique way as well. Teams that win the most total games in the entire team match are named the match winner, so remember, in Junior Team Tennis, **EVERY GAME COUNTS.**

SCHOLARSHIPS • TENNIS ON CAMPUS • SENIOR CUP

2017 MTA College Educational Scholarships Winners Announced

The Mississippi Tennis Association is proud to announce that the recipients of the 2017 educational scholarships were Kendall Causey of Jackson and James Tyler Santucci, III, of Chatham. Now in its seventeenth year, the program awards scholarships each year to a deserving young man and woman based on their accomplishments in the classroom, on the tennis court, and in the community.

Kendall, the daughter of Rachel and Ken Causey of Jackson, was a member of the 2017 graduating class of Jackson Preparatory School, where she excelled as an athlete and a scholar. Her extracurricular activities included the Film Club, the Spanish Club, the Service Club, the Patriot League, and Young Life Service Club. She received an award for her Community Service, which included volunteering for Jackson Prep Global Leadership program and Madison Ark Animal Shelter. She was a member of Jackson Symphony Sub-Debs and was selected a class favorite by her peers. A member of the Highlands Presbyterian Church youth group, she participated in a mission trip to the Yakama Indian Reservation in Yakama, Washington. Kendall did all this while maintaining an A average in her academics. Her tennis career began when she enrolled in Dave Randall's mini tennis class at the age of 4. Since that time, Kendall has participated in USTA programs like Junior Team Tennis and in junior tournaments at both the state and Southern level. A testimony to how far Kendall has come as a tennis player is evident in the fact that in both 2016 and 2017, she received a wild card to play in the Professional Women's Challenger Tournament at River Hills. Her current ranking is #3 in Mississippi and #180 in the South. In 2015 the Causey family was chosen by the MTA as the Mississippi Tennis Family of the Year. Kendall says that she cannot imagine life without tennis. Currently a student at Ole Miss, she is pursuing a degree in business management and, at the same time, trying to find ways to include tennis in her daily routine.

Tyler Santucci, the son of Rebecca and Charlie Steele and Louis Santucci, graduated from St. Joseph High School in Greenville in 2017. Throughout high school, he was listed on the A/B honor roll. He was a member of the Junior National and National Honor Society and was a Mississippi Scholar Graduate. His community service included doing yard work for the elderly, serving as a mentor in the Carrie Stern Mentor Reading program, and volunteering with the Delta Cotton Bells Cancer Benefit Tennis Tournament. This young athlete excelled in both tennis and soccer, but tennis became his first love. He worked hard to become a competitive player because he had to catch up to the players who started when they were five and six since he didn't start until he was ten! Tyler began playing on the high school tennis team in the sixth grade and won his first MVP award. He was a main factor in leading the St. Joe tennis team to four straight MAIS state team championships. In his senior year, Tyler once again won the #2 Boys' Singles event. He was named tennis Player of the Week by the Delta Democrat Times several times over the course of his high school career. Tyler said that his twin brother Tres was his favorite doubles partner because they know each other so well, and they shared many tournament victories. In the spring of 2017, he started playing league tennis with a 4.0 Adult Men's team which advanced to the national tournament in Rancho Mirage, California. He went undefeated in singles in that event. He is currently attending Delta State University, where he is enrolled in the aviation program.

2017 Southern Senior Cup

In 2017 the Southern Senior Cup started June 1-4. Nine Southern Section states sent teams to compete in the 2017 Southern Senior Cup held in Huntsville, AL. In 2018 players should contact John Cox chairman of the Adult committee and (mens captain) Sally Thompson Adult committee member and (womens captain) and Kent Shultz Director of Player Development to get applications to the event. Let us know if you want to be considered to play. Players will be selected April 20th in 2018.

Go Mississippi!!!

The event draws more than 300 players in team competition at the Huntsville Tennis Center 2305 Airport Road; Huntsville, AL 35805 <http://www.huntsvilletenniscenter.com/competition> for men and women in the 35, 45, 55, 65, and 75 age categories with a team match format of two singles and one doubles in 2017. The players in the field include former collegiate All-Americans, NCAA champions and professional players. Each state vie's for a chance at the Mildred Southern Cup, Gil Stacy Cup, and the men and women's overall scoring title.

Tani Deaton and Huntsville Tennis Center continue to make this event the premiere event in the south, and like previous years, coordinated another successful championship in 2017. The tournament also would not have been possible without the efforts from the tournament staff who volunteered their time to make this tournament a success: Jeff Gray, Helen Martin and Nancy Vineyard. Also staffing the event were Chris Walling and Marita Edrosa of USTA Southern and Deanna Garretson of USTA Arkansas.

Walling said, "I want to take this time to thank all of our captains for the effort and time commitment involved in coordinating Senior Cup teams. USTA Southern would not be able to host this tournament without our captains; so thank you for allowing us an opportunity to host this great event. I have enjoyed getting to know each of you more with each Senior Cup. And kudos to our five new captains (Boo Mason from Alabama, Sally Thompson and John Cox from Mississippi, Aimee Norris from North Carolina and Mike Parker from Tennessee) for a great job in their first year of captaining.

Congratulations to the Mississippi Men's 55 Division Champions. Players Ken Koelling-Marion, Tommy Carter-Ocean Springs, Teddy Viator-Hattiesburg, Marty Pearson-Oxford.

"A big thank you to all the Mississippi players who participated this year as well. This event showcased some of the best tennis in the Section, and we are proud to host an event of such caliber. The competition gets better and better each year.

Wynn Alexander

The Tennis Foundation of Mississippi is pleased to announce that Wynn Alexander of Wiggins was the 2017 inductee into the Tennis Foundation of Mississippi Hall of Fame. This inductee has long been associated with tennis in the state and, through his play, support, and generosity, has left an unmistakable imprint on Mississippi tennis.

Wynn Alexander

Wynn was born in Stone County, Mississippi, and has lived in Wiggins his entire life. As he puts it, his “love affair” with tennis began when he was in his early thirties when he and some of his friends started playing on an asphalt court behind the First Baptist Church. He admits that they were not very good, but like so many others, they yearned for better competition. He called Dorothy Vest at Battlefield Park and asked her to get him into one of the big tournaments in Jackson. She pitted him against Mac Cameron, and Wynn says that match did not last long. In a long conversation in the locker room after the match, Mac and Slew Hester graciously suggested that he take some lessons since he obviously wanted to play at a higher level. As his interest grew and his ability improved, he played more tournaments and more tennis in general. For a few years, he and a friend owned and operated a tennis club on the Gulf Coast. Wynn was a charter member of Bayou Bluff Tennis Center and thoroughly enjoyed the new friends he made, the tournaments he played, and the health benefits he reaped from tennis.

Wynn’s generosity is evident in his contributions to tennis, both monetarily and time-wise. Wynn eventually built a lighted tennis court in his backyard and an indoor court

on which local high school tennis teams and college teams and league teams were welcome to practice. He pushed for the first two tennis courts built at the Wiggins County Club. When the city and county were unable to build courts in Wiggins, the Alexander family built a six-court tennis facility—the only privately owned public tennis courts in the state. So far, no mention has been made of any outstanding on court tennis performances, but there were many. Wynn accumulated 28 state rankings, including three #1s and 4 #2s. Some of those rankings were achieved when he and his daughter Laura teamed up in mixed doubles. He said that he missed going to Nationals by one point once. For nine years, he served as an assistant tennis coach at Stone County High School, teaching many young people, including his granddaughters, how to play tennis. At least 17 young people from that area have gone on to play college tennis, and the Stone County High School tennis team won the South State championship seven years in a row. In addition to his other contributions, he has also served on the Mississippi Tennis Association Board of Directors and with the board of the Tennis Foundation of Mississippi, which awards grants to young players to help develop their skills. Wynn is a good example of someone who attains membership in a Hall of Fame for simply loving and playing his sport and doing all that he can to foster and grow that sport in his community and state. He and his wife Carolyn have two children and five grandchildren. He lists his top three hobbies as playing and teaching tennis, tennis, and tennis.

An induction banquet was held in his honor on January 13, 2018, at the Country Club of Jackson.
