What if I am unable to play in the Qualifier?

Waivers will be considered for medical reasons, family crisis or unavoidable circumstances. Players who fall in this category will be placed at the bottom of the Mississippi alternate list.

How will I know if I have been selected?

The selection lists will be posted on www.mstennis.com by Director of Player Development as soon as the order of selection has been made.

All applicants should check the individual tournament site for selections. Because the entry has been increased you will have

A great shot at getting in as last year more than 11 got in because of the increased draw size.

What if I am an alternate in the 10's-18?

All players that played in the Mississippi Qualifier are eligible to be alternates. Players need to enter the

Southern Closed on time in order to have the opportunity to get in.

All applicants should check the individual tournament site for selections.

Remember it is your responsibility to check the website. No one will call or email you.

After the quotas are filled by the states there spots in the draws to be filled.

So, if you are an alternate, keep watching your appropriate Southern website.
