

2026 Spring State Championship Regulations

USTA MS Junior Team Tennis

Team Captains/Coaches

Each USTA Junior Team Tennis Team shall have a Team Captain/Manager responsible for the team, its administrative affairs as well as the behavior of anyone associated with the team (see Spectator Policy below). Each Team Captain/Manager shall be compliant with the USTA Safe Play Policies and Procedures for USTA Junior Team Tennis and be greenlit through the NCSI background check process.

Player Participation

Players may play on more than one team in the same local league in our state, as long as they are in different age divisions. For example, a player can play on a 14 and under team and an 18 and under team.

Once at the State Championships players may only participate on ONE team. A player may play in the same age division in SEPARATE local leagues, but must choose only one team to play with at the state tournament. Players can only play once in a single match.

Official Information System

Match Team App and [TennisLink](#) is the official information system of USTA Junior Team Tennis.

Official Championship Registration/Standings System

All teams must register using the Match Team App and TennisLink platforms. The Match Team App will be the platform used to show schedules, enter scores. Standings will be on the app and in Tennislink. A player's name must be listed on the team roster, as shown in the USTA's Digital Platform, prior to participation in any match. The State Association shall establish deadlines and procedures for registering players and teams in the USTA's Digital Platform.

COMPETITION FORMAT

The competition format may be round robin, partial round robin, or a combination of the two, at the discretion of the Championship Committee.

- **ROUND ROBIN** -If round robin competition is used, each team shall play every other team in its flight and the team with the highest number of total games shall be the champion in its flight. The use of flights requires a playoff to establish a champion.
- **PARTIAL ROUND ROBIN** - The Partial Round Robin Format may be used in scenarios when the number of teams does not work well with round robin.
- All teams shall be scheduled the same number of matches against randomly selected opponents.
- The 2 teams at the top of the standings at the end of the unflighted matches are the 2 teams to make a final.

Team Composition/Format/Scoring

Team compositions will be COED and the match format for age divisions 12U, 14U, and 18U, will consist of 3 doubles courts;

- 1 girl's doubles, 1 boy doubles and 1 mixed court.

At the Spring State tournament, each individual court for ages 12U, 14U, and 18U will play the best out of 3 sets; a set tiebreak played at 5 games all and a third set 10 point tiebreaker if split sets. This could change with the number of teams entered in the championship or inclement of weather.

The 10U age division team composition will be coed and the match format is 3 doubles courts, gender neutral. The scoring format is the best of three short sets to 4, and one game as a set tiebreak at 3 games all, staying in the serving order of the match.

One game is played in lieu of a match tiebreaker, keeping the serving order.

- Local leagues will use the same match and team formats, but may choose a different scoring format.

Age Eligibility

Players registering for spring teams must be “age eligible” through April 30 (i.e., a player must remain 12 through April 30 in order to sign up for a 12 and under team.)

Coaching is allowed **ONLY** during the **90 second changeovers**. Coaching is allowed by one person during a match (whomever is designated the coach or captain for that match, although that may be a different person each match, it doesn't have to be the captain). Coaching is not allowed during the first changeover of the set. Coaching must take place from outside the fence.

Coaches are not allowed on the court. In no event is coaching allowed during a tiebreak. Coaching is not allowed on a toilet/change of attire break, medical timeout, or when a player leaves the court seeking the assistance of the official.

BALLS USED/ COURT SIZE

- The 10's INTERMEDIATE will play on a 60' court with an orange low-compression ball. 10 and under players must use a racquet that is 25" or less.
