Future Stars: Ages 5 – 8 10am – 12pm **(\$120 for week or \$30 per day)**

Children will learn the correct form for hitting forehands and backhands and will be introduced to volleys, overheads and serves. We will do games to make sure they have fun while learning.

We will be using the 10 and under smaller court and orange ball.

Big Hitters: Ages 9 - 11 10am -12pm **(\$120 for week or \$30 per day)**

This group will get a foundation in the proper fundamentals of all strokes. They will be playing actual games and keeping score by the last day of camp. **We will be using the 10 and under orange ball at times.**

Inter/Adv: Ages 12 - 18 1pm – 3pm **(\$120 for week or \$30 per day)**

Players should already be participating in either school tennis or tournament play. We will really be focusing on developing the different spins, shot selection, tactics and match strategies. We will make this a more competitive setting to gear the kids for tournaments.
